Parent Volunteer Mowing Roster

Mawarra Public School P&C, through the long-standing voluntary mowing program, maintain the grounds our children are fortunate to have at their school. For our children to be able to enjoy the use of these grounds, we require parents to help with mowing and garden maintenance, as they have done for many years.

Your help, if available, would be required 2-3 times per year on a Saturday for approximately 2-3 hours, from 8.00 am until 10.30 – 11.00 am. If you are able to assist one Saturday this would be greatly appreciated. The school supplies all equipment.

If you can help with school mowing or gardening, please indicate below and return the slip to the school office. A roster will be made and given to each helper advising the dates and details for the year. If a parent is unable to assist on their rostered day, (2-3 hours), the parent is asked to arrange a swap with another parent on the roster.

Our General Assistant, Mr Dennis Eagles, will be on hand during the sessions to provide direction and assistance for the mowing mornings.

Thanking you in anticipation.
